TERMS & CONDITIONS FOR THE SUPPLY OF ELECTRICITY & HIRE OF EQUIPMENT

- Supply 230volts single-phase, 400volts three-phase 50 cycles alternating current (AC).
- *Connection will be left at the back of stand unless specified, if you require it to be in a certain place please indicate on the Plan of Stand and advise which is the front.
- Any portable electrical appliances at this event must display a valid PAT test certificate.
- The charges detailed on the price list include the supply, hire and installation from the electricity power supply, a proportion of the necessary mains cable, overhead / underground network, switch fuse and control gear, together with all necessary circuit wiring and fittings and for taking down and removing at the close of the show.
- The Electrical Connection will be terminated at the nearest point on the stand to the distribution box. Exhibitors requiring a different termination point should give details on separate paper and attach it with the application.
- It is strictly understood that only ONE item of equipment is connected to each point. Multi-way plug-in type and bayonet adaptors shall not be used, any exhibitor found making unauthorised connections to our electricity supply shall be immediately cut off.
- Exhibitors will be held responsible for all equipment on hire that is damaged or missing at the end of the show and it is the responsibility of the exhibitor to ensure that equipment is returned in good order.
- Applications for the supply must be received by us no later than the date stated on the order form, after which date no guarantee will be given that the work will be carried out, but if it is carried out the cost will be as the price list plus the surcharge for modifications to our supply network.
- We reserve the right to refuse to connect to the supply any faulty equipment. Any work carried out on equipment to bring it to the required standard will be charged on a time and material basis.
- The Electrical supply is of a temporary nature and may be from a generator set.
- Every effort will be made to provide uninterrupted power supply. However no liability will be accepted by TSV Services Limited or the Organisers for any loss or damage due to power failure.
- Supply of electricity should normally be available to most stands from mid-day on the day prior to the show commencing, until the official closure of the show. However, should this not be possible for whatever reason this company cannot be held responsible and will not accept any claims for loss of earnings or otherwise.
- All payments are to be made when placing the order, forms or payments received after 17th June 2024 will incur a 25% admin charge, bookings are not guaranteed until payment is received,
- Cancellations/ no refunds for cancellations of electric within 14 days of the event date due to electric will already have been supplied.
- If you require a purchase order number on the invoice, please indicate on the order form.
- VAT Number – 925 4628 12
- Any further assistance please call 07919692800 or 07891 326860
