## **ADVICE TO CHILDREN AND SCHOOLS WITH ENTRIES.**

**Free exhibitor passes (for two or more entries for children aged 12-16) are valid all day.**

**Children aged 11 and under will not require entry passes, as they will be admitted free.**

**Accompanying adults need an admission ticket – which must be purchased online prior to the Show.**

Prize winning items from previous shows cannot be re-entered.

Classes are grouped in school years. However, do not forget to look at wider groupings such as years 3 to 6, or open age. Indicate your school year, as it may be taken into account.

Entries must be in an individual's name, not just the school name.

Entries are open to all and are not restricted to local schools.

Entries must be your own, unaided work.

Consider entering classes which may have fewer entries (usually craft and modelling classes). You could stand a better chance of a prize.

Please keep models to a reasonable size (except the group models which should not exceed 60cm x 60cm). Kits are not acceptable unless it is stated otherwise.

In the photography classes, the maximum size for photographs is A4 (including mount). Be as imaginative as possible.

If the word 'painting' appears then the entry must be in paint, not crayon or felt tip. All artwork must be mounted on A3/4 paper as indicated, with a 2cm border (not wallpaper). Please note that the schedule states whether entries in a particular class have to be either portrait (P) or landscape (L) where entries are wall frame mounted.

Class/number tickets must be on the front, names on the back.

Handwriting entries must be mounted and on unlined A4, (although guide lines beneath the top sheet can be used as an aid). It is the handwriting that will be judged, not decorative borders. In the event of a tie, spelling will count.

Stewards will display your entries.

Rosettes and prize cards must not be removed before tent clearing time on Thursday.

Details of how to deliver entries before the show, and pick up exhibits and rosettes will be given when entry forms are sent in.

It only remains to wish you good luck!

## **Handwriting Exercises**

### **Class 34: Year 1**

#### **My Little Sister** by William Wise

My little sister  
Likes to eat.  
But when she does  
She's not too neat.  
The trouble is  
She doesn't know  
Exactly where  
The food should go!

### **Class 35: Year 2**

#### **If You Should Meet a Crocodile** by Anonymous

If you should meet a crocodile,  
Don't take a stick and poke him,  
Ignore the welcome in his smile,  
Be careful not to stroke him.

For as he sleeps upon the Nile,  
He thinner gets and thinner,  
And whenever you meet a crocodile,  
He's ready for his dinner!

**Class 36: Year 3****Teacher** by Paul Cookson

Loud shouter  
Deep thinker  
Rain hater  
Coffee drinker

Spell checker  
Sum ticker  
Line giver  
Nit picker

Ready listener  
Trouble carer  
Hometime lover  
Knowledge sharer

**Class 37: Year 4****Weather** by Anonymous

Whether the weather be fine  
Or whether the weather be not,  
Whether the weather be cold  
Or whether the weather be hot,  
We'll weather the weather,  
Whatever the weather,  
Whether we like it or not.

**Class 38: Year 5 –****Ants, Although Admirable,  
are Awfully Aggravating** by Walter R  
Brooks

The busy ant works hard all day  
And never stops to rest or play.  
He carries things ten times his size,  
And never grumbles, whines or cries.  
And even climbing flower stalks,  
He always runs, he never walks.  
He loves his work, he never tires,  
And never puffs, pants or perspires.

Yet though I praise his boundless vim  
I am not really fond of him.

**Class 39: Year 6**Extract from **The Walrus and The Carpenter**  
by Lewis Carroll

The Walrus and the Carpenter  
Walked on a mile or so,  
And then they rested on a rock  
Conveniently low:  
And all the little Oysters stood  
And waited in a row.

"The time has come," the Walrus said,  
"To talk of many things:  
Of shoes—and ships—and sealing-wax—  
Of cabbages—and kings—  
And why the sea is boiling hot—  
And whether pigs have wings."

**Class 40: Senior Year 7 – 13**

**If Pigs Could Fly** by James Reeves

If pigs could fly, I'd fly a pig  
To foreign countries small and big –  
To Italy and Spain,  
To Austria, where cowbells ring,  
To Germany, where people sing –  
And then come home again.

I'd see the Ganges and the Nile;  
I'd visit Madagascar's isle,  
And Persia and Peru.  
People would say they'd never seen  
So odd, so strange an air-machine  
As that on which I flew

Why, everyone would raise a shout  
To see his trotters and his snout  
Come floating from the sky;  
And I would be a famous star  
Well known in countries near and far –  
If only pigs could fly!
